UNT Dual Credit Enrollment Approval Form

Student Responsibilities

In requesting approval to enrollment in the above course(s), the student understands that he/she must be accepted for admission by the university and that he/she must abide by all applicable university guidelines and regulations. This application is incomplete without proper approval by secondary school and university personnel.

The student is responsible for the payment of all tuition, books, and fees. Enrollment at the university affords the student the same rights and privileges granted to all students as stated by university policy. Dual Credit courses are included as part of the student's daily high school schedule. The student is expected to abide by the rules and regulations of both institutions.

The student earns both high school and university credit for Dual Credit courses. While these courses earn university credit and are recorded on a formal transcript, decisions regarding transferability of the courses to another college or university rests solely with the accepting institution. The student should consult the admissions office of the appropriate receiving institution(s) for information regarding the transfer of credits.

Texas Success Initiative

For 2025, UNT will admit dual credit students in accordance with the Texas definition of a non-degree-seeking student. In accordance with Texas Administrative Code Title 19, Part I, Chapter 4, Subchapter C, a dual credit student completing 15 semester credit hours or more must file a degree plan and meet Texas Success Initiative (TSI) requirements for college readiness in reading, writing and mathematical skills prior to enrolling in additional college-level credit at Texas public institutions. College readiness is demonstrated through a Texas Higher Education Coordinating Board approved assessment or exemption. For additional TSI information, contact UNT Advising Services, Sage Hall, Suite 315, TSI@unt.edu. The TSI assessment will not be used in admissions decisions.

Turnitin User Agreement

In taking UNT Dual Credit courses, students may be required to submit written homework assignments through a secure, web-based service known as Turnitin. Turnitin's formative feedback and originality checking services promote critical thinking, ensure academic integrity, and help students improve their practices for using and citing other people's written material and to provide students feedback electronically. Turnitin's User agreement requires parental permission for students between the ages of 14 to 17 to use this service. By signing this approval form, you acknowledge that you have reviewed and understand the Turnitin User Agreement (https://turnitin.com/agreement.asp) and that you give permission for your child to use the Turnitin service. Once signed, this agreement will apply to all subsequent semesters unless the agreement is withdrawn in writing by the parent/guardian.
